

Apprentice takes on the best

RECENTLY returning home from a trip of a lifetime was local apprentice carpenter Chaise Pearce.

Chaise was one of 11 competitors from Central Queensland Institute of TAFE who pitted their trade skills against the best in the country at the World Skills Australia National Competition which was held in Brisbane.

Chaise is a third-year apprentice carpenter and is employee by Mazzacuva En-

terprises of Biloela.

Chaise recently was awarded a regional award which enabled him to attend this event.

The competition saw 500 apprentices and tradespeople from across Australia compete in categories and expected to draw more than 80,000 people over the three days of competition.

A valuable learning experience was had and we congratulate Chaise once again on his achievement.
