WHAT IS WORLD SKILLS AUSTRALIA?

WorldSkills Australia is a social enterprise that passionately believes skills drive the future of young people, and of Australia.

We do this by enabling young people (like you!) to showcase their trade and skill talents. Since 1981 we have been partnering with education providers, industry and government to promote and build a skills culture, empower excellence and showcase VET.

I'd encourage anyone to have a go, and compete. It's challenging, and you really have to push yourself, but it is a very rewarding experience. The skills and knowledge gained are so valuable, and will really benefit you in your chosen career.
