MESSAGE FROM OUR CEO

Tonight, we come together to honour the outstanding achievements of our competitors, to present medals to our champions, and to acknowledge the incredible dedication of the volunteers who are the heartbeat of the WorldSkills Australia family.

Over the past week, more than 25,000 people have participated in or attended this incredible event, and with over 1,500 of us here tonight, Brisbane has come to life to witness the best in skills across the nation.

To all the competitors from both the Open and VETiS skill categories—congratulations. Over the past three days, you’ve demonstrated resilience, talent, and a deep commitment to excellence. By simply stepping into this competition, you’ve shown that you are among the elite in your field. In our eyes, you’ve all achieved greatness. You are all champions.

A heartfelt thank you to the hundreds of volunteers who have given their time as judges, operational crew, and customer service staff. Your selfless contributions ensure this event runs smoothly, and we are truly humbled by your generosity. You, too, are champions in every sense.

This event would not be possible without the continued support of the Australian Government, the generous contributions from the Queensland State Government, and the backing of the many organisations and companies that provide financial assistance and in-kind support through equipment, goods, and services.

Tonight, we not only celebrate the winners—we also celebrate the future of our nation. Among you are Australia’s next business leaders, educators, innovators, entrepreneurs, and skilled professionals across a diverse range of industries. You give us great confidence that the future is in capable hands. Enjoy this evening as we come together to honour excellence, celebrate skills, and look forward to a bright and successful future.

Trevor Schwenke
Chief Executive Officer, WorldSkills Australia
